

Neurosurgical Research Products

The products listed on this page **have not been cleared for human use by regulatory authorities.** IRB or ethical review board approval must be secured for experimental procedures on humans.

Custom Orders

Please contact us to discuss customizing any of our products to meet your special requirements.

International Orders

Taxes, as well as duty, broker, and shipping/handling charges may add significantly to costs on deliveries outside the U.S. For quotes/orders, please contact us for the name of our agent in your country or to work with us directly.

Terms

FOB Bowdoinham, ME U. S. A.; Net 30 days, payable in U.S. dollars by check drawn on U.S. bank, Visa or Mastercard credit cards, wire transfer.

Prepayment

We offer a 5% discount on prepaid orders.

Quantity Discounts

Please contact your sales coordinator for quantity or other special discounts.

Rush Orders

Standard delivery for FHC products, including micro-electrodes, is 2-4 weeks. We will make every effort to ensure that your order arrives in a timely way, and will not charge extra fees for making special trips to after-hours shippers or airports. If you need to receive your order in less than the standard delivery, and the items are not in stock, a 25% rush charge may be added to your order.

Returns

A 20% restocking fee may be charged for returned items. Custom micro-electrodes cannot be returned to inventory and, therefore, are not subject to a restocking fee or refund.

Repairs

Repairs are billed at a labor rate of \$140 per hour. A minimum half hour bench charge is applied to all repair work.

IO1234567iin Intraoperative Electrode

Note: FHC "IO" Intraoperative Electrodes are priced individually and sold in packages of 12.

Configuration and Typical Price per series		
Series 1: Long Tungsten or Stainless Steel	Ea.	\$ 55.00
Series 2: Extended Platinum Iridium	Ea.	80.00
Series 3: Micro-Concentric	Ea.	100.00
Series 4: Macro-Concentric	Ea.	73.00
Series 5: Long, with Protective Tube	Ea.	80.00
Series 6: Extended, with Protective Tube	Ea.	94.00
Series 7: Micro-Concentric with Protective Tube	Ea.	123.00
Series 8: Macro-Concentric with Protective Tube	Ea.	94.00

Example of a Series 1 Intraoperative Electrode:

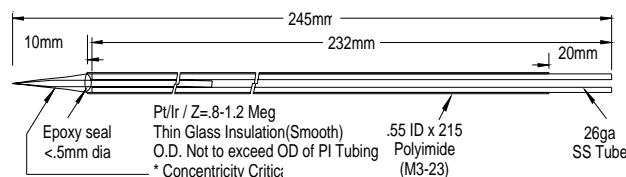

Catalog Number:

IOWVGGSE1AB1

Price: \$55.00 each or \$660.00 per package of 12

Example of a Series 2 Intraoperative Electrode:

Catalog Number:

IOPSEGS2KM1

Price: \$80.00 each or \$960.00 per package of 12

Many intraoperative type electrodes are available as FDA cleared, CE marked, microTargeting® microelectrodes. Please contact us for a conversion number.
