Custom Orders

Please contact us to discuss customizing any of our products to meet your special requirements.

International Orders

Taxes, as well as duty, broker, and shipping/handling charges may add significantly to costs on deliveries outside the U.S. For quotes/orders, please contact us to get the name of our agent in your country or to work with us directly.

Terms

FOB Bowdoinham, ME U. S. A.; Net 30 days, payable in U.S. dollars by check drawn on U.S. bank, Visa or Mastercard credit cards, wire transfer.

Quantity Discounts

Packaged items -- (PK):
5%, 4-7 pks;
10%, 8-19 pks;
15%, 20 or more pks.

Rush Orders

Standard delivery for FHC products, including micro-electrodes, is 2-4 weeks. We will make every effort to ensure that your order arrives in a timely way, and will not charge extra fees for making special trips to after-hours shippers or airports. If you need to receive your order in less than the standard delivery, and the items are not in stock, a 25% rush charge may be added to your order.

Returns

A 20% restocking fee may be charged for returned items. Custom microelectrodes cannot be returned to inventory and, therefore, are not subject to a restocking fee or refund.

Repairs

Repairs are billed at an hourly rate. A minimum half hour bench charge is applied to all repairwork.

Custom Orders

Please contact us to discuss customizing any of our products to meet your special requirements.

International Orders

Taxes, as well as duty, broker, and shipping/handling charges may add significantly to costs on deliveries outside the U.S. For quotes/orders, please contact us to get the name of our agent in your country or to work with us directly.

Terms

FOB Bowdoinham, ME U. S. A.; Net 30 days, payable in U.S. dollars by check drawn on U.S. bank, Visa or Mastercard credit cards, wire transfer.

Quantity Discounts

Packaged items -- (PK):
5%, 4-7 pks;
10%, 8-19 pks;
15%, 20 or more pks.

Rush Orders

Standard delivery for FHC products, including micro-electrodes, is 2-4 weeks. We will make every effort to ensure that your order arrives in a timely way, and will not charge extra fees for making special trips to after-hours shippers or airports. If you need to receive your order in less than the standard delivery, and the items are not in stock, a 25% rush charge may be added to your order.

Returns

A 20% restocking fee may be charged for returned items. Custom microelectrodes cannot be returned to inventory and, therefore, are not subject to a restocking fee or refund.

Repairs

Repairs are billed at an hourly rate. A minimum half hour bench charge is applied to all repairwork.
