

Certificate of Registration

Certificate Number
9121-7

Initial Certification Date
September 24, 2003

Certificate Effective Date
September 11, 2009

Certificate Expiry Date
September 11, 2012

The following organization's quality management system has been assessed and registered by Intertek Testing Services NA Ltd., a **CMDCAS recognized registrar**, as conforming to the requirements of:

ISO 13485:2003

Organization:

FHC, Inc.

Main Site: 1201 Main Street, Bowdoin, Maine, 04287, USA

Additional Site: Field Support - 180 Main Street, Greenville, Pennsylvania, 16125, USA

The Quality Management System is applicable to:

The design, manufacture, distribution, installation, training, and servicing of neurosurgical systems (some components of which are supplied in a sterile condition) manufactured by or for the company and used to target and position electrodes and other instruments for the purpose of amplifying extracellular potentials, stimulating responses, and/or ablating target areas, as well as acquiring and analyzing data and the introduction or removal of substances and tissues to or from the nervous system.

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement.
