

# Certificate of Registration

# Intertek

This is to certify that the quality management system of

## FHC, Inc.

**Main Site:** 1201 Main Street, Bowdoin, Maine, 04287, United States

**Additional Site:** Greenville Neuromodulation Services, Inc. – 180 Main Street, Greenville, Pennsylvania, 16125, United States

has been assessed and registered by Intertek, a **CMDCAS recognized registrar**, as conforming to the requirements of

## ISO 13485:2003

The quality management system is applicable to

**Main Site:** The design, manufacture, distribution, installation, training, and servicing of neurosurgical systems (some components of which are supplied in a sterile condition) manufactured by or for the company and used to target and position electrodes and other instruments for the purpose of amplifying extracellular potentials, stimulating responses, and/or ablating target areas, as well as acquiring and analyzing data and the introduction or removal of substances and tissues to or from the nervous system.

**Additional Site:** The manufacture, distribution, installation, training, and servicing of neurosurgical systems (some components of which are supplied in a sterile condition) manufactured by or for the company and used to target and position electrodes and other instruments for the purpose of amplifying extracellular potentials, stimulating responses, and/or ablating target areas, as well as acquiring and analyzing data and the introduction or removal of substances and tissues to or from the nervous system.

Certificate Number: 9221-9  
Initial Certification Date: 24 September 2003  
Certificate Effective Date: 11 September 2015  
Certificate Expiry Date: 10 September 2018

Galin Moldovean, President

Intertek Testing Services NA, Ltd. – 1829, 32nd avenue, Lachine, QC, H8T 3J1, Canada

In the issuance of this certificate, Intertek assumes no liability to any party other than to the Client, and then only in accordance with the agreed upon Certification Agreement. This certificate's validity is subject to the organization maintaining their system in accordance with Intertek's requirements for systems certification. Validity may be confirmed via email at [certificate.validation@intertek.com](mailto:certificate.validation@intertek.com) or by scanning the code to the right with a smartphone.

The certificate remains the property of Intertek, to whom it must be returned upon request.
